Adenan to join Kwasa Land as managing director on Monday

KUALA LUMPUR: Kwasa Land, a subsidiary of the Employees Provident Fund (EPF), has appointed Adenan Md Yusof as its managing director (MD), effective on Monday.

He will replace Mohamad Hafiz Kassim, who is head of the EPF's real estate investment department.

Kwasa Land chairman Datuk Mohammed Azlan Hashim said Adenan brought with him a wealth of real estate development and management as well as commercial management experience to propel Kwasa Damansara to become a green and inclusive township.

"On behalf of Kwasa Land, I would also like to express our thanks and appreciation to Mohamad Hafiz for his unwavering dedication and service to Kwasa Land.

"But as he remains on the board of Kwasa Land, we will continue to gain from his leadership skills, energy, and commitment," said Azlan.

Adenan was previously group MD of Amanah Raya Bhd.

He was also chief operating officer at AmanahRaya-REIT

Managers Sdn Bhd and vice-chairman of the Malaysian REIT Managers Association as well as a member of its regulatory committee.
