Kwasa Land appoints Hafiz Kassim as managing director designate

April 2, 2020

Kwasa Land has appointed Mohamad Hafiz Kassim as its managing director designate effective April 1.

The wholly-owned subsidiary of the Employees Provident Fund (EPF) new managing director will lead Kwasa Land's strategy and execution of the company's role as a master developer of Kwasa Damansara, a 2,300-acre mixed development covering residential, commercial, educational and recreational offerings.

Kassim first joined EPF in 2008, taking on several leadership roles within the Investment Division and will continue to lead EPF's real estate investment team.

Bringing with him over 20 years of experience, Kassim's focus has been on real estate, capital markets, private equity, financial services and accounting.

The role was previously held by Mohd Lotfy Mohd Noh who retired end of March 2020.
