

First main infra job award for Kwasa Damansara

KUALA LUMPUR: Kwasa Land Sdn Bhd, the master developer of Kwasa Damansara, has awarded its first main infrastructure works project "WPC 1A" valued at RM127mil to WCT Holdings Bhd.

The contract is for the proposed construction and completion of common infrastructure work at the

Kwasa Damansara township development, a designated area within the vicinity of MX-1 (main town centre) and Kwasa Sentral MRT Station.

The works include site clearance and site preparation, earthworks, roadworks, drainage works, road furniture, sewerage reticulation

and sewerage treatment plant, water reticulation, park and ride facilities, electrical infrastructure works as well as soft and hard landscape works.

It should be completed within 104 weeks.

Under the contract, WCT has to award 35% of the total work to bumiputra sub-contractors.
