KUALA LUMPUR: Kwasa Land Sdn Bhd, a wholly-owned subsidiary of the Employees Provident Fund (EPF), has named Mohamad Hafiz Kassim as its managing director-designate, effective April 1, replacing Datuk Mohd Lotfy Mohd Noh who retired end-March.

In a statement today, Kwasa Land said at the same time, Mohamad Hafiz would continue to lead EPF's real estate investment team.

He has over 20 years of corporate experience, especially in real estate, capital markets, private equity, financial services and accounting.

Mohamad Hafiz joined EPF in 2008 where he was entrusted with several leadership roles within the investment division.

Previously, he had worked with a number of firms such as Daiwa Capital, PricewaterhouseCoopers United Kingdom and Malaysia, as well as Telekom Malaysia where he started his career as an investment analyst.

Mohamad Hafiz holds a Bachelor of Science (Economics) from the London School of Economics and Political Science.

He is also a Fellow of the Association of Chartered Certified Accountants and a CFA charter holder. - April 2, 2020, Bernama
